Dear:

Thanks to Baltimore's legal community, Baltimore's underserved, disadvantaged public school students have that hope of obtaining a college education. Our firm has joined the Lawyers' Campaign to raise funds for CollegeBound. We are proud to be part of the 17<sup>th</sup> Annual Lawyers' Campaign for CollegeBound Foundation.

We hope that you can help us raise money for this worthy cause. Last year, the Campaign generated over \$120,000 in funds!

CollegeBound has helped thousands of deserving Baltimore City high school students gain admission to, and graduate from, college. Just three semesters past the launch of a retention program, CollegeBound Last Dollar Grant Scholars are graduating college at a rate of 53%... over three times the national average of 15% for low income students.

Checks should be made out to *CollegeBound Foundation*, and sent to me. This is a great program that supports the many city school kids who stay in school, study, play by the rules, and just need a helping hand to get into college. Please do what you can.

On behalf of the students that CollegeBound Foundation serves, thank you for your generous support.

Sincerely,
